Subject: **FY 2016 General Fund Purchase Requisition, Change Order Request and Procard Deadlines**

Date: July 12, 2016

The fiscal year-end close for the year ending September 30, 2016 is rapidly approaching. This memorandum is the first in a series of correspondence that many of you will receive over the next several months conveying important information about year-end closing procedures, requirements and activities. This particular memorandum provides information regarding the **deadlines for on-line submission and approval of Purchase Requisitions, Change Order Requests (CORs) and certain considerations pertaining to Procard purchases for FY 2016 General Fund transactions.**

FY 2016 General Fund Requisition and COR Transactions

As year-end approaches, timely departmental approvals of WayneBuy on-line Requisitions and CORs are critical to accurate and expedient fiscal year-end processing. To be reasonably assured that **General Fund** (indexes beginning with the digit 1) Requisitions (WayneBuy Catalog and non-Catalog reqs.) and CORs (WayneBuy Change Order Request Form) relating to the current fiscal year (October 1, 2015 through September 30, 2016) result in posted activity against a unit's FY 2016 operating budget, it is necessary that all departments and units "submit" WayneBuy Requisitions **by Monday, September 12, 2016** and CORs **by September 19, 2016**. Please remember that "submission" involves ensuring that **all required on-line departmental approvals including any required special approvals (specific purchasing commodities as noted on Purchasing's website) occur by Monday, September 12, 2016 for Requisitions and Monday September 19, 2016 for CORs.** To ensure that "in-process" Requisitions are not inadvertently overlooked, all individuals responsible for approving Requisitions and CORs should periodically check their approval queues (WayneBuy Approval Tab) to verify that pending transactions are appropriately approved. Requisitions and CORs, which do not have **all** required unit, departmental and special approvals by **September 12, 2016** or **September 19, 2016**, respectively, will be "disapproved" (not be processed as FY 2016 transactions) and returned systemically to the requestor.

As an exception to the above, those Requisitions against enabled vendors which do not require Procurement's approval can be processed up to **September 28, 2016** and will still be encumbered in FY 2016. Enabled Vendors are those listed at the top of the Home Page of WayneBuy, and include Office Depot, Fisher, Life Technologies, CDW-G, Dell (standard configurations only) and Apple Computer. The

Requisitions must be below \$2,000, and the exception applies to traditional Requisitioner's and those with special privilege as a result of their Procard Holder status.

FY 2017 General Fund Requisition and COR Transactions

As units begin to input FY 2017 General Fund Requisitions (this only applies to goods that will be received or services performed during FY 2017), and COR transactions, **please note that the accounting date field in the Billing section of the Requisition Summary screen defaults to the current date so the accounting date must be manually changed to October 1, 2016 until October 1, 2016.** Click the "edit" button to change this date.

A Job Aid which illustrates the process for making the aforementioned change can be found at <http://purchasing.wayne.edu/waynebuy/training.php>.

Timing of Procard Transactions and Posting to Banner

The last day for making Procard purchases with a reasonable expectation of the transactions being included in FY 2016 activity is September 27, 2016. Processing of these transactions is a matter of timing on the merchant's part. This is because Procard transactions are posted in Banner according to the merchant "post date" (the date the merchant actually processes the transaction). Accordingly, there is no assurance that purchases made on or prior to September 27th will be included in FY 2016. Likewise, purchases occurring between September 27th and 30th **may or may not** be recorded in FY 2016 dependent on the merchant "post date".

Your cooperation and adherence with the established requirements and deadlines is appreciated. Specific questions related to Requisitions should be directed to Kenneth Doherty (7-3756). Questions regarding CORs should be directed to Joan Powell (7-3743) and Procard questions should be directed to Jeneen Conley-Berry (7-3708). If you have questions about other aspects of this memorandum or other aspects of the fiscal close generally, please contact Tony Miller or Patricia Douglas at 7-3673.
